RE: Announcing New Hinesburg Police Chief

Hinesburg Town Administrator Renae Marshall is pleased to announce that Anthony Cambridge has been selected as Hinesburg's next Chief of Police. Mr. Cambridge has been with the department since 2013. He received his Bachelor of Arts from William Patterson University and prior to beginning his career in law enforcement, he was a high school teacher with the Manchester Regional High School District in Haledon, NJ. During his time in Hinesburg, Anthony has continually sought out ways to improve the department and has assisted in writing ordinances and developing various policies. He has modeled good leadership skills as a field training officer and is well respected by his peers. Anthony has served as the liaison with Champlain Valley Union High School (CVU) and has helped bridge a relationship between the school and the department. The Selectboard and the Town Administrator look forward to continuing the excellent community minded police service under Mr. Cambridge's leadership that Hinesburg residents and businesses have grown to expect over the past seven years with Chief Koss.

Chief Frank Koss announced his retirement back in late 2018. He has been with the department for 13 years and has been chief since 2012. Chief Koss has been committed to the community policing model in Hinesburg and has developed a culture within the department that is highly valued by the officers and the community. On behalf of the Selectboard, town staff and the residents, we extend our sincere appreciation to Chief Koss for his years of service and dedication to Hinesburg.

The search for the police chief was a collaborative process over the past several months that involved extensive work by a nine-member selection committee comprised of current and past Selectboard members, town staff, as well as a wealth of knowledge and experience from the community members that participated.
